Dear General Kelley:

I am aware of and deeply grateful for the cooperation and expert assistance you and your staff have given us over the past several years. We have been faced with some difficult problems and now, as you know, are confronted with a complex situation which representatives of this Agency are discussing with your staff. The decisions which must be made in this connection are far-reaching and will depend largely on the expert technical assistance provided by your organization. We are, therefore, most appreciative of your continued cooperation and advice.

Faithfully yours,

Marshall S. Carter
